REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach nor render the instantly claimed invention obvious to one of ordinary skill. There is no teaching in the art of having and using the fluidic device which is now claimed. Further, the art does not teach modifying existing devices to have a footprint and channels as claimed. There is no reasoning or suggestion in the art to make the claimed changes to existing devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
